

## Enhanced FIS Mission Statement\_ June 2020

As a school committed to excellence, Al Faris International School strives to provide a rigorous programme, based on measurable standards, with a commitment to improving teaching and learning. We aim to foster a diverse and inclusive community that supports, enhances, and nurtures a child's natural desire to learn through Approaches to Learning (ATL) skills\*. These essential skills promote life-long learning and encourage Al Faris students to become ethical, compassionate global citizens in a world of differences.

\* ATL Skills: Social, thinking, research, self-management, and communication
